

Boolaroo Public School P&C ASSOCIATION

A VERY WARM WELCOME FROM BOOLAROO PUBLIC SCHOOL P&C

What is the P&C?

The P&C (Parents and Citizens Association) is a group of community minded people, consisting of parents and citizens, who assist both school staff and students to promote the best interests of the school.

At Boolaroo Public School, our P&C manages the Uniform Shop and the School Canteen and we are always looking for fresh faces who are able to volunteer their time.

We run many fundraisers throughout the year to help provide resources to benefit our children's learning and school experience. Some past events include School Fetes, Out of Uniform Days, Pie Drives, Raffles and School Discos, which are always a winner. The money collected from these fundraisers go towards contributions to the school for things such as excursions and equipment. It also goes towards improvements to the school, such as new gardens,

The P&C meetings are held once a month and on behalf of Boolaroo Public School P&C, I'd personally like to invite anyone wishing to join to come along.

Looking forward to meeting you!

Kind regards

Shae Clerke
Boolaroo Public School P&C President
