

Boolaroo Bulletin

Term 4 Week 9 7th Dec 2017

Well, hard as it is to believe we have come to the end of another school year. This will be our last newsletter for 2017. It has been a busy term with many things to celebrate. I've been reading lots of reports and enjoyed sharing the success, effort and growth the children have made this year.

Students from Years 1 to Years 6 will be resuming school in 2018 on Tuesday 30th January with our new Kindergarten students starting on Wednesday 31st January. We are looking forward to seeing everyone in full school uniform in 2018, including black shoes. Wearing the appropriate uniform gives us a united and proud representation to all in the community and a sense of belonging to the children.

2017 has been an extremely busy but productive year and we look forward to a new one filled with exciting learning opportunities, continuing friendships and many new magical memories. On behalf of the staff of Boolaroo Public School and myself we would like to wish the community and parents of Boolaroo a very safe and happy holidays, Merry Xmas and a Happy New Year.

*Merry
Christmas*

Louise Wrightson

Principal

The new communication tool for Boolaroo PS is here! In 2018 this will be the main avenue of communication between the school and our community. It will be used for submission of absence notifications, permission notes, newsletter, alerts and updating of events. If you have not done so already please download the App to your phone and take a look at what is available to use. Office staff are currently training in the app so lots of "TEST" items will be sent out for us to view and lean with. Thanks for helping!

Sharks News

Miss Webb

Woo Hoo!! The year has nearly come to an end. It has been such an amazing and wonderful year with these beautiful children. Thank you so much to all of the Sharks for always keeping me on my toes and for being so crazy and entertaining. I have loved each and every minute of it. Congratulations to all students on their awards at Presentation Day and we're all very excited to see you perform at our Christmas Concert.

MERRY CHRISTMAS EVERYONE, and Happy Holidays!!!

Seals News The Seals have had a very busy few weeks getting ready for Christmas. We have been researching Santa Claus and found out that he use to wear green! We have also been decorating our classroom with amazing Christmas craft. We have some very talented artists in our room. I still find it hard to believe the year is coming to an end. It has been a pleasure teaching the Seals and I wish all students and their families a safe and Merry Christmas.

Love Mrs Geres

Dolphin News

Wow, what a year! It is hard to believe that we are already approaching the end of term. We've had such a wonderful year in the Dolphin room and all of the students have worked exceptionally hard. I am so proud of everyone's achievements and it has genuinely been a pleasure getting to know everyone and teaching them this year. I would like to take this opportunity to thank all of our wonderful classroom helpers, in particular Myra for coming in every week to read with our students and Hilary for her work with the PaTCH program. Your dedication to our students is greatly appreciated. I hope everyone has a wonderful holiday and I look forward to seeing you all again in 2018.

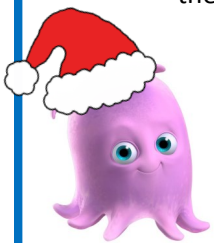

Merry Christmas! Mrs Wilkinson

Thank you for welcoming me into your class and for allowing me to get to know each and every one of you. Have a Merry Christmas and keep safe over the holidays with your families and friends.

Mrs Dykes

Jellyfish News

Wow! It is so hard to believe that the year is almost over. I am so proud of the Jellyfish and all they have achieved in 2017. They have been kind and caring friends to each other throughout the year and have been so enthusiastic in all our learning activities. They have learnt a lot, faced many challenges but have been persistent and have worked super hard to reach their goals. It has been an absolute pleasure teaching every single one of my superstars and it has been so much fun watching them learn new things and grow throughout the year. The past few weeks we have been really enjoying Christmas craft and we were all so excited to meet our cheeky class elves, Twinkle and Jingle, as well as our reindeer, Starlight. They have been creating lots of mischief in our classroom and have been having parties, picnics and marshmallow bubble baths! Together we have created this Christmas acrostic poem describing all of the things we love about the holiday! We are looking forward to a well-earned rest and can't wait to see what 2018 brings us.

Crunching candy canes, cakes, chocolates and cookies

Happy holidays to all.... HO HO HO!

Rushing reindeers run on the roof and Rudolph races through the sky

Ice skating in an icy igloo

Shiny snowflakes fall sideways onto the snowman

Tinsel trees twinkle in our lounge rooms

Merry Christmas to all!

Angels are always smiling in the sparkly night

Santa slides down the chimneys and his sleigh is full of presents for our stockings

Thank you so much to all of the Jellyfish families for all of your support throughout 2017. I have enjoyed getting to know each special family and have created a lot of memories with you and your children. Thank you also to our volunteers that have helped us throughout the year, we truly appreciate your time and effort.

Miss McCaw

BRING YOUR LIBRARY BOOKS BACK or Santa will put coal in your stocking!!!...and Mrs Burke will withhold your borrowing rights for 2018 till they are returned please.

Year 6

Please make sure you have updated details for your child's Opal card for 2018.

2018 Book packs We hope they will be available next week. We have been waiting for the stock to arrive. This year there will be only books and Mathletics subscription will be included in cost, except for Kindergarten.

Below are some pictures of our wonderful year 6 and executive.

Best of luck for 2018 ;)
