

Dear Parents and Caregivers,

The countdown is on for the end of the term. This year has definitely shown us that "Challenges Make Us Stronger. It certainly has been a bumpy ride! Thank you to all the parents who have supported the school and understood what we have had to do to keep everyone safe. It has been much appreciated! I have my fingers crossed for a healthy 2022, where we can invite our community to come into the school more freely!

I am pleased to announce that Mrs Angela Clark was successful in gaining the permanent **Assistant Principal Curriculum and Instruction (AP-CI)** at Boolaroo Public School. As we know, Mrs Clark has previously worked at Boolaroo as our LaST and classroom teacher, having the opportunity to lead Curriculum and Instruction is a new and exciting challenge that she is looking forward to.

The AP-CI position is permanent member of the school executive. Mrs Clark will be leading staff with curriculum and professional learning. Congratulations!

In 2022 there are two Staff Development Days at the start of the year, Friday 28th January and Monday 31st January.

Classes for students in Years 1 to 6 in 2022, start on Tuesday 1st February. All students in Kinder 2022 start on Wednesday 2nd February.

We wish all the year six students and families and who are leaving the school all the best for the coming years.

To all our amazing families have a special Christmas with all your family and a fun holiday with your children.
